Greater Harrison Chamber of Commerce

MEMBERSHIP REPORT 2019

Who We Are

REFLECTING LOCAL INDUSTRIES

From Advertising to Transportation, the breadth of our membership makes this group exceptional for networking. Just browse our online directory for shops, B2B services and more.

SERVING BUSINESSES OF ALL SIZES

89 percent of our members have 75 employees or fewer. Our membership ranges from local non-profits to larger companies with international reach, like JTM and Crown Plastics.

PROMOTING GROWTH & PROSPERITY

Harrison Avenue and Beyond

One moment we are cutting the ribbon at a new boutique in Harrison's historic downtown district, and the next we are getting a behind-the-scenes tour of an internationally-known manufacturer. Local events and cost-saving benefits through the Southern Ohio Chamber Alliance are just some of the reasons we attract members from all over the region, particularly in Hamilton County, Ohio and Dearborn County, Indiana.

To learn more about the benefits of investing in membership, visit www.greaterharrisoncc.com
